* If the difference in column 1 is less than zero, enter "0" in column 2.
 ** If the highest number previously paid for is greater than the number of independent claims, the fee is based on the number of independent claims.
 *** If the independent claims are not presented in the first presentation of multiple dependent claims, the fee is based on the number of independent claims.

The fee for a multiple dependent claim is based on the number of independent claims to which it is dependent. If a multiple dependent claim is presented in a later amendment, the fee is based on the number of independent claims presented in the first presentation of multiple dependent claims.
 The fee for a multiple dependent claim is based on the number of independent claims to which it is dependent. If a multiple dependent claim is presented in a later amendment, the fee is based on the number of independent claims presented in the first presentation of multiple dependent claims.
 The fee for a multiple dependent claim is based on the number of independent claims to which it is dependent. If a multiple dependent claim is presented in a later amendment, the fee is based on the number of independent claims presented in the first presentation of multiple dependent claims.
